**SUBJECT:**

DOCKET NO. 2008-125-E - South Carolina Electric and Gas Company's Request for Relocation/Replacement of Portion of Wateree-Pineland 230K Transmission Line at Richland County Landfill – Discuss this Matter with the Commission.

**COMMISSION ACTION:**

The proposed relocation/replacement of South Carolina Electric and Gas Company's 230kV transmission line which currently crosses an area to which the Richland County Landfill, Inc. proposes to expand its operations constitutes the replacement of an existing facility with a like facility, and therefore, does not constitute construction of a major utility facility for which certification would be required under the Utility Facility Siting Act and Environmental Protection Act.
